February 23<sup>rd</sup> 2018

The Dubreuilville Magpie Rod & Gun Club Inc., would like to welcome anglers from near and far to participate in the third annual Dubreuilville Magpie Walleye Derby, located on the Magpie River near Dubreuilville, Ontario. Its objective is to assist with events that include fishing or hunting. One of our goals is to make anglers discover the richness of fishing in our area.

This competitive fishing derby in Northern Ontario is awaited by over 240 fishermen. The Dubreuilville Magpie Walleye Derby is part of the N.O.W.T. circuit that will take place on June 9-10 2108 with over \$20,000.00 cash prizes to be won.

This year's derby will be devoted to the improvement and development in depth of the derby in order to build a solid base for years to come.

We would like for your company or organisation to be part of this event and would be grateful for your financial support. Also, gifts for our prize table are always welcomed. If you choose to donate, your sponsorship name will appear on our new web site ([www.dmw.ca](http://www.dmw.ca)) and all our t-shirts that we hand out to participants, volunteers and sponsors. Confirmation sponsorship forms **MUST** be received no later than **May 15th 2018**. (see page 2)

The D.M.W.D. is a good environmental event since it's a catch and release tournament. The amounts of entries are limited to 120 teams giving every angler a chance in catching a walleye of a lifetime.

Your support would be greatly appreciated on getting this fishing derby underway on a successful path. We are at your disposal to answer any of your questions.

Yours in fishing,

Chantal Mantha-Bernard  
President & Secretary  
Dubreuilville Magpie Rod & Gun Club Inc.  
(Dubreuilville Magpie Walleye Derby)
